New Jersey/New York societies seek applicants for awards

The New Jersey/New York Fraternal Alliance (NJNYFA) is seeking applicants for both its Fraternalist of the Year Award and its 2022 Youth Volunteer Award. The awards recognize individuals within the fraternal benefit system who, through example and accomplishment, provide outstanding volunteer service.

To be eligible for these awards, a person must be a resident of New Jersey or New York and a current member of a fraternal benefit society belonging to the NJNYFA, such as William Penn Association. In addition, nominees for the Youth Award must be ages 16 to 22.

The deadline for submitting applications for these awards is Sept. 1, 2022. Winners of both awards will be recognized at the NJNYFA's Annual Convention in October.

For more information about these awards, contact John E. Lovasz at the WPA Home Office at jlovasz@wpalife.org.

Graduating high school seniors may earn special benefit

WPA life benefit members graduating from high school may be eligible for our **Graduating High School Seniors Benefit**.

This benefit provides members free limited-term life insurance: \$5,000 of coverage if one parent is a WPA member and \$10,000 if both parents are members.

The coverage begins upon our receipt of written notice that you have graduated from high school and ends six months from the date of graduation. This coverage may be continued after six months, subject to submission of a satisfactory application and payment of any required premiums.

Written notice, including verification of your graduation date, must be submitted to our Home Office within 30 days of graduation. For more details, contact Mary Ann Kelly-Lovasz at our Home Office at 412-231-2979 ext. 128.

Branches deliver Easter Baskets to those in need

This spring, 19 WPA branches and their members opened their hearts and spread a little joy to their neighbors in need through our annual Easter Baskets program. Together, they delivered 64 baskets with items worth a total of \$3,996.

Some branches delivered their Easter baskets directly to individuals and families in their communities. Other branches presented their baskets to churches or other non-profit organizations which found suitable recipients for the baskets.

We sincerely thank the following branches

and their members for sharing that spirit with their neighbors during our Easter Basket program: Branch 8 Johnstown, PA; Branch 9 Hazleton, PA; Branch 14 Cleveland, OH; Branch 15 Chicago, IL; Branch 18 Lincoln Park, MI; Branch 19 New Brunswick, NJ; Branch 26 Sharon, PA; Branch 28 Youngstown, OH; Branch 34 Pittsburgh, PA; Branch 51 Passaic, NJ; Branch 88 Rural Valley, PA; Branch 129 Columbus, OH; Branch 132 South Bend, IN; Branch 226 McKeesport, PA; Branch 249 Dayton, OH; Branch 296 Springdale, PA; Branch 336 Harrisburg, PA; Branch 349 Weirton, WV; and Branch 800 Altoona, PA.

A new life insurance plan that may be just what you need

© Can Stock Photo Inc./michaeljung

William Penn Association is excited to introduce a NEW life insurance product--the first addition to our life insurance portfolio in quite some time: the **Graded Death Benefit Whole Life** plan. It may provide the type of financial protection you and your family need. But, before we get into the details of WPA's new plan, let's discuss some basics first. Our thanks to Bob Whitis, Director of Operations at BrightFire, and www.insuranceighbor.com for granting us permission to share the following Q&A.

What is Graded Death Benefit life insurance?

A *Graded Death Benefit* policy is a type of whole life (permanent) insurance policy that includes a waiting or "grading" period before the full amount of the death benefit is payable. It provides a viable option for people who are unable to purchase life insurance at standard or even substandard rates. A medical exam is not required, and people who have been declined for life insurance in the past can still get coverage through a graded benefit life plan.

So, how does Graded Death Benefit life insurance work?

Graded Death Benefit policies have four basic features:

- 1) The full amount of the life insurance face amount is not paid out until after the insured has lived for a specified waiting period--unless the death was accidental. If an accidental death should occur during the waiting period, your beneficiary would still receive the full face amount as a tax-free benefit. But, if the insured were to pass away during the waiting period from causes other than accidental, the beneficiary would receive a reduced tax-free benefit.
- 2) The benefit for a death that occurs during the waiting period can be either a return of premiums paid plus interest *or* a specified percentage of the face amount. A policy that pays a percentage of the face amount is usually best for those who qualify because their beneficiaries will receive a greater tax-free benefit than with a return of premium policy.
- 3) Rates are generally higher than rates for traditional life insurance. As this is a higher-risk policy, it comes at a higher cost. The rates, however, are guaranteed, and the policy does build a guaranteed cash value. These policies typically do not pay dividends.
- 4) There are usually a few qualifying health questions, and acceptance is not always guaranteed. But, most people will qualify--even people who have suffered heart conditions, cancer, and stroke--provided that at least two years have passed since the last occurrence.

How does Graded Death Benefit life insurance differ from standard life insurance?

A Graded Death Benefit life insurance policy pays a lower amount if a non-accidental death occurs in the first few years after you purchase the policy. Unlike standard life insurance, the death benefit is only increased to the stated face amount after the policy has been in effect through the entire grading period. Graded Death Benefit life insurance is usually only purchased as a last resort by people with serious health problems who cannot otherwise obtain life insurance. While it is more expensive than standard life insurance, it is easier to obtain and could be an excellent alternative for final expense life insurance coverage.

Now that we have discussed the ins-and-outs of Graded Death Benefit life insurance, let's talk about the NEW ***WPA Graded Death Benefit Whole Life plan*** and what makes it unique in today's marketplace.

What are the features and benefits of the NEW WPA Graded Death Benefit Whole Life plan?

- Issue ages range from 18 to 85, age nearest birthday. This is unusual in today's marketplace. Most carriers will not issue a Graded Death Benefit contract under the age of 40 and in some instances, age 50. Many others do not offer coverage beyond the age of 75 or 80.
- Our rates are determined by age and sex of the insured without regard to tobacco usage. Tobacco users and non-tobacco users pay the same rate at WPA. Many carriers charge more for tobacco usage.
- Our face amounts range from a minimum of \$2,500 to a maximum of \$25,000. Many carriers do not offer amounts below \$10,000 and few offer coverage as high as \$25,000.
- Our Graded Death Benefit certificates build a guaranteed cash value that can be used for unforeseen emergencies.
- There are only seven health questions required, all relating to your health history in the previous 24 months. If you can answer "no" to all seven, you should qualify.

How does the waiting or 'grading' period work on the WPA Graded Death Benefit plan work?

- Full face amount of the policy is paid for an accidental death occurring in all contract years.
- For non-accidental death occurring:
 - In the first contract year: 25% of face amount

FEATURES OF THE WPA GRADED DEATH BENEFIT POLICY

- Issue ages from 18 to 85 – age nearest birthday.
- Male/Female rates only.
- NOT tobacco distinct. Tobacco and non-tobacco users pay same rate.
- Face amounts from \$2,500 to \$25,000.
- Builds a guaranteed cash value.
- Premiums payable to age 100.
- 3-year "grading" period.
 - For deaths (other than accidental) occurring:
 - In the first contract year: 25% of the face amount.
 - In the second contract year: 50% of the face amount.
 - In the third contract year: 75% of the face amount.
 - 4th contract year and thereafter: 100% of the face amount.
- Full face amount is paid for accidental death from day 1 of coverage.
- Riders such as Accidental Death Benefit and Waiver of Premium are not available on the Graded Death Benefit plan.
- Dividends are not anticipated.
- No certificate fee.

- In the second contract year: 50% of face amount
- In the third contract year: 75% of face amount
- Fourth contract year and thereafter: 100% of face amount

What makes the WPA Graded Death Benefit plan different from others on the market today?

The WPA Graded Death Benefit plan is a "percentage of face amount" type of plan. Our plan will pay the specified percentage of the death benefit for a death (other than accidental) that occurs during the grading period, as opposed to returning your premiums with interest. Your beneficiaries will receive a much greater tax-free benefit if a death were to occur during the waiting period with our type of plan than they would with the return of premium type plan.

Have you or a loved one been turned down for life insurance in the past? Have you or a loved one suffered a heart attack, stroke or cancer but have recovered and your last event was over two years ago? If so, call your WPA agent or the Home Office to see if you'll qualify for our **Graded Death Benefit Whole Life** plan. You'll sleep better knowing that you have this valuable coverage in place for your loved ones. We look forward to being of continued service to you and your family!

Until next time, welcome summer!

Agoston Haraszthy: The Hungarian 'grandfather' of American winemaking, (Part 1)

My good buddy Jacob recently moved to the San Francisco metropolitan area to take a job with a busy class-action law firm. We've been friends since middle school, and he was the best man at my wedding (along with my other best man—my brother Ándrás, who officiated). So Jacob has honorary Hungarian-American status.

We were recently riding our Peloton bikes together—via video conferencing—one Sunday, and we got to discussing his latest adventures outside his office. Jacob is a lifelong vegetarian (I'll let you decide if that should revoke his honorary Hungarian status), so he can't fully enjoy San Francisco's legendary Chinatown, seafood or California-style burritos. Fortunately, he can appreciate the fruits of the vine, in all their spirituous forms, without a shred of guilt. Two of the premier winemaking regions in the world—Napa Valley and Sonoma Valley—sit just a few minutes' drive away from Jacob's apartment in downtown San Francisco.

Unsurprisingly, Jacob has been taking regular scouting missions into the heart of wine country, discovering its treasures, both grand and quaint, like an explorer filling in the blank spaces of a map. Jacob told me of one vineyard that he passed on a recent foray into Sonoma but did not have time to visit. As a Disney fan and annual passholder, its name—the Buena Vista Winery—piqued my interest. But what I would discover about the winery and its founder, Agoston Haraszthy, would make me implore Jacob to hold off on visiting until I could venture there myself.

No one knows the exact circumstances under which "Count" Agoston (Augustine) Haraszthy immigrated to the United States in the early 1840s. Some speculate that Haraszthy sought political exile, fleeing some Hapsburg persecutors. Others suppose that a failed romance sent him across the oceans. Another theory explains that simple wanderlust drove him to leave the homeland. For my part, I think that he may have suffered from common Hungarian afflictions like hot-headedness and stubbornness, that once he'd left for some trifling reason or another, he was too stuck in his ways to return.

Born in 1812, Haraszthy's place of birth is also mysterious. Some sources say he was born in Pest, not surprising for a noble family. Other sources say Futak, Hungary, which is likely a reference to modern day Futtog, Serbia, which is now a part of the city of Novi Sad, the second largest city in Serbia and the principal city of Vojvodina region, which has a large ethnic Hungarian population. (*Of note, Novi Sad is the 2022 UNESCO Capital of Culture.*) The Haraszthys' main estates were located in the northern part of the Kingdom, particularly in former Ung County, which today is almost entirely either Slovak or Ukrainian territory (the major Ukrainian city of Uzhhorod is in the former county). But the family also owned holdings in the Hungarian "Bácska" region near and in modern day Serbia, so Futtak may make sense.

Much like with "Colonel" Sanders and his fried chicken, his title of "Count" was not based in reality and likely was an honorific or social title that Haraszthy adopted during his time in the United States. Being from a noble family and possessing a well-developed educational background (it was rumored he could read in at least 16 languages), it's probable that the use of the title of "Count" was close enough to reality, especially for the American pioneers on the California frontier.

In any case, a few facts about his background are certain and lead us to Haraszthy's winemaking legacy. In 1840, a 28-year-old Haraszthy journeyed to the United States during a time of great expansion and political turmoil. Traveling with a cousin, Haraszthy sailed up the Hudson River, and

Workers harvest grapes at Agoston Haraszthy's Buena Vista Winery, one of the first vineyards in the Sonoma Valley of California. (Photos courtesy of guildsomm.com)

transited the Erie Canal and the Great Lakes, before ending up in Wisconsin. Once there, he settled in the vicinity of the Wisconsin River and claimed to have been the founder of Sauk City. He initially named it "Széptáj"—which seems uncharacteristically boring for a man like Haraszthy: it essentially means "beautiful place." Apparently, the rolling hills and verdant scenery in Wisconsin reminded him of his native Hungary, which he thought perhaps ideal for growing produce, including grapes. Haraszthy wrote in his memoirs of the Wisconsin landscape:

"Oh, marvelous! And this it really was, for during my prolonged traveling I had not seen either in Europe or in America the work of Nature in such matchless perfection, and I can say with all the conviction of my soul that there cannot exist a more beautiful spot in any part of the world."

From that spot, Haraszthy undertook the beginnings of a wine cellar and vineyard on the Wisconsin hillside. Though fate had other things in store for him, Haraszthy's plantings in the 1840s became the beginnings of a strong and growing Wisconsin wine tradition. Wollersheim Winery in Prairie du Sac, Wisconsin, sits on the site of that original Haraszthy vineyard. Today, Wollersheim Winery occupies 27 acres of vineyards and grows seven different varieties for both red and white wines. One of the wines produced includes ice wine, a sweet dessert wine much like Tokaji—a comparison that Haraszthy would have undoubtedly enjoyed.

Even though grapes thrive today on the property of Wollersheim Winery, the initial plantings from Haraszthy did not fare as well. The cold winters snuffed out his attempts to grow a vineyard. I imagine Haraszthy was shocked by the intemperate, bitter winters

of Wisconsin—probably even more of a surprise given that Wisconsin and Hungary share the same latitude.

Haraszthy, ever the Renaissance man and jack of all trades, found time to also build Wisconsin's first grist mill, established a brickyard, launch the first steamboat that conducted trade along the Mississippi River, and traveled widely in the United States, reportedly meeting President John Tyler (who no doubt believed that the mustachioed, vivacious Hungarian was indeed a Count).

With the cold weather plaguing his asthma, Haraszthy and his growing family eyed California as the next place to pursue prosperity in the growing land of opportunity. Leaving Wisconsin behind, Haraszthy and his family headed West in 1849 like so many Gold Rushers.

The rest of the story, however, will have to wait. The more I researched about this larger-than-life character, the more I realized that this story could not fit into one, or even two columns. We will revisit the adventures of Agoston Haraszthy in a future Take, but suffice it to say, Haraszthy made more of an impression in a few years in Wisconsin than many settlers did their entire lifetimes. I'm sure you will find the next installments as enthralling as I do—and a great inspiration to appreciate the fruits of the vine.

Until next time, let's raise our wine glasses in a toast to the spirit of exploration and ingenuity, and thank people like Agoston Haraszthy for perpetuating the subtle art of winemaking here in the United States.

Outdoor party time

BBQ Grilled Veggies

Fáradjon be a Magyar Konyhába! The month of June has always been a favorite of mine to really get cooking outdoors. I remember when I did my testing for Master BBQ Chef; it started in June and ended in September. That was one great summer. And, of course, Memorial Day has come and gone with the usual hot dogs, hamburgers, potato salad, watermelon and other treats. By popular demand, I have received many requests for some upscale recipes and tips you may consider when preparing food outdoors all summer long.

First, here are a few tips on how you should put together a menu and shopping list of ingredients for your “out-of-the-house” festivities.

- **Have variety in your ingredients.** You can serve beef, chicken, pork and vegetarian options that all can enjoy. Also, consider offering seafood, like a baked fish or cold tuna salad.

- **Use different cooking methods.** Bake, fry, sauté or simply combine ingredients, like a cold salad. Varying your cooking methods will add culinary character to your event and prevent a repetitive menu.

- **Offer foods with color.** What attracts people to food is the aroma, presentation *and* eye appeal. What enhances the eye appeal is color. Aim for vibrant or unusual colors--such as reds, yellows, greens and perhaps purple (for the potatoes in a salad).

- **Vary the texture.** Use vegetables and ingredients that accent crunch factor, such as raw carrots, lettuce, broccoli, croutons and flavored breadcrumbs. How about sautéed onions for any meat dish? The texture can be hard or soft.

- **Summer seasonal is the way to go.** Fresh vegetables, such as corn on the cob and vine-ripened tomatoes, along with seasonal fruits--such as blueberries, strawberries, melons and cherries--will highlight and enhance any outdoor feast.

- **Plan for a fantastic finish.** End your outdoor feast with a bit of flair. How about Apple Blondies instead of brownies? Or, a cold whipped cream delight with fresh fruit? There’s nothing wrong with a fresh fruit salad. Of course, there is always chocolate cake or strawberry shortcake that all will enjoy. Maybe a build-your-own sundae bar?

The recipes for this month may be used in a variety of ways for your gala. You’re the chef so make creations and original menu items your family and friends will enjoy. My compliments to you, the chef!

Now, put on your apron and chef’s hat and let’s cook!

Jó étvágyat! (Enjoy your meal!)

Leccsó

Leccsó

2 green peppers
2 red peppers
2 yellow peppers
1 large onion
3 garlic cloves, minced
3 tablespoons olive oil
Kosher salt, to taste
Black pepper, to taste
2 tablespoons Hungarian paprika
4 tomatoes, skinned, seeded & quartered

Wash all the vegetables and pat dry with paper towels. To prepare tomatoes, cut out the core and drop them in boiling water for a minute. Remove from water and let cool. Skin should easily peel away when scraped with a paring knife.

Cut all the peppers into strips and the onion into fine slices.

In a skillet, heat the olive oil and sweat the garlic and onions. Add paprika and stir well. Add peppers and cook until they are limp. Add tomatoes and cook until they become soft. Adjust seasoning and serve hot.

Hungarian Hamburgers

1 pound ground beef
1 pound ground pork
3 slices fresh white bread, cut into small cubes
2 whole eggs
1 tablespoon kosher salt
1 teaspoon Hungarian sweet paprika
1 medium sweet white onion or Vidalia onion
3 garlic cloves, minced
½ tablespoon black pepper

In a mixing bowl, combine all the ingredients and blend well. Make patties out of the mixture and refrigerate for at least 30 minutes. Fry in a skillet or cook on an outdoor grill until desired doneness. (If you are going to grill the hamburgers, put them in the freezer for an additional 30 minutes before grilling so they firm up.)

Crunchy Cruciferous Salad

2 pounds broccoli florets, halved
16 ounces monterey jack cheese, small dice
16 ounces smoked mozzarella, small dice
1 cup golden raisins
½ cup fresh bacon, diced
½ cup red onion, sliced paper thin
¼ cup carrot, shredded
½ cup ranch or poppyseed dressing
Salt & white pepper, to taste

Combine all the ingredients in a mixing bowl, then toss until evenly coated. Refrigerate for 30 minutes. Serve cold to your guests.

Crunchy Cruciferous Salad

Apple Blondies

Apple Blondies

2½ sticks butter, softened
1½ cups brown sugar
1½ cups granulated sugar
4 whole eggs
4 cups all-purpose flour
1 teaspoon salt
1½ teaspoons cinnamon
3 cups apples, peeled & diced small
1 tablespoon apple schnapps or vanilla extract
Baking pan spray

In a mixing bowl, combine the butter and both sugars, then cream until the mixture is light and fluffy. In another mixing bowl, combine the flour, salt, cinnamon and blend well.

To the creamed sugar and butter, add the apple schnapps (or vanilla extract) and mix well, then add the eggs one at a time, mixing slowly until all eggs are incorporated into the mixture.

Add the flour mixture one cup at a time and blend slowly until all the flour is in the mix.

Add the apples and mix to spread them out in the batter.

Spray a baking dish or square baking pan, greasing the bottom and sides before placing the thick batter into the pan.

Spread the batter evenly in the pan then bake in a preheated oven at 350°F for 45 minutes until the top is firm and a toothpick comes out clean.

Let the blondies cool for 15 minutes before removing from the pan or baking dish.

BBQ Beans

4 strips bacon, fried, reserve the drippings
3 medium onions, chopped
3 cloves garlic, minced
16-ounce can kidney beans, drained & rinsed
16-ounce can pork & beans, drained & rinsed
16-ounce can black beans, drained & rinsed
16-ounce can pinto beans, drained & rinsed
½ cup cider vinegar
1½ cups ketchup
2 teaspoons dry mustard
1 cup brown sugar
1 teaspoon black pepper

Preheat the oven to 350°F.

In a skillet, brown the onions and garlic in the bacon drippings

In a large bowl, mix all the beans together, then add the cooked onions and garlic with the pan drippings and all other ingredients. Mix well and pour into a greased casserole dish. Crumble the bacon on top and bake for 45 minutes.

Serve hot OR let cool and then serve your guests. A perfect side for any barbecued meat.

BBQ Beans

Apple Tapioca

8 Gala apples, peeled, cored & quartered
2 teaspoons lemon juice
½ cup sugar
½ teaspoon ground cinnamon
¼ teaspoon ground nutmeg
⅛ teaspoon ground clove
3 cups apple cider
4 tablespoons Minute Tapioca

In a 3-quart saucepan, place the apples and all other ingredients, except the tapioca. Cook the apples until they turn into a sauce. Add the Minute Tapioca and cook for an additional 15 minutes. The tapioca will thicken the apple mixture as it cools.

Caramelized Onions

3 large Vidalia onions, sliced thin
1 tablespoon olive oil
½ teaspoon kosher salt
1 tablespoon light brown sugar
7 large kale leaves, shredded

In a skillet, place the onions and olive oil, then sprinkle salt over the onions. Stir mixture to coat the onions with the oil. On low heat, simmer the onions to begin the caramelization process, stirring often.

When the onions have caramelized, stir in the kale and brown sugar and cook an additional 5 minutes.

Use for any meat entrée.

BBQ Grilled Veggies

2 zucchini
2 summer squash
2 Vidalia onions
2 baby eggplant
2 banana peppers
2 red onions
2 green peppers
7 large button mushrooms
1 tablespoon Hungarian paprika
9 ounces vegetable oil
3 ounces white vinegar
2 garlic cloves, minced
Salt & black pepper, to taste

In a small mixing bowl, combine the paprika, garlic, oil and vinegar, blending well. Adjust the taste with salt and pepper.

Cut the green peppers into quarters and remove the seeds and core.

Place all the vegetables in a flat pan or cookie sheet, then drizzle with the dressing, making sure each piece is wet. Marinate the veggies in refrigerator for 1 hour.

Place veggies on the grill, making sure they are wet with dressing on each side. Grill at 325°F for 7 minutes, then turn and grill an additional 5 minutes. Vegetables are done when they are tender and have crisp grill marks.

Serve warm or cold.

BBQ Rub for Steak

½ cup sea salt
½ cup light brown sugar
¼ cup Hungarian sweet paprika
1 teaspoon white peppercorns, freshly ground
2 teaspoons black peppercorns, freshly ground
2 teaspoons garlic powder
1 teaspoon onion powder
¼ teaspoon cayenne pepper
½ teaspoon celery seeds

Combine all ingredients in a mixing bowl, then rub on each piece of meat. Let stand for three hours before cooking.

Grill steak over coals, wood chips or gas until desired doneness is obtained. Take off grill and let rest for 15 minutes before slicing.

Serve with a thick sauce or light dipping sauce, if desired.

Reclaim your true self

I do believe that happiness is in you. It may be overshadowed by the world we live in, but I promise you, happiness is still within. We have lived through so much in such a short amount of time. The pandemic and its gnawing aftermath are still fresh. Hatred and violence ride the headlines every single day. We are bombarded with over-opinionated voices that would rather spew with deaf ears than have an honest conversation. It's hard. On top of these struggles, our daily concerns are unimaginable.

When will it end? Maybe never. Could it be that the surmounting turmoil has always existed? Perhaps technology and its grip are holding our heads under the water.

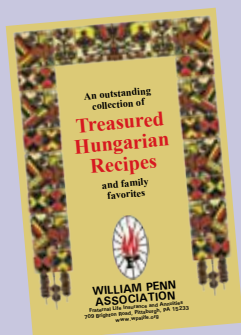

Trust yourself. You'll know that it is time to walk away. Trust the nudge of the restless nights and your lack of motivation. Turn yourself inside out and wake up to the joy that is within. Find hope in nature and comfort in family. Note every single miracle that you see. Find resilience in the sunrise and the sunset. Drink in the laughter and pause to create kindness.

When you can no longer tolerate the emptiness, fill yourself with the little things. Embrace in an honest and complete hug with someone you love. Hold a hand that is younger than yours.

That is where we need to be to find happiness.

That is who we truly are.

Campaign for UKRAINE

in partnership with Brother's Brother Foundation

The stories and images emerging from Ukraine call to mind stories and images from the not-too-distant past, when the former Soviet Union brought its hammer down on people who dared to defy it. The war in Ukraine serves as a frightening reminder of what happened in Hungary in 1956, when so many were forced to flee their homeland in search of peace and freedom.

Today, millions of Ukrainians--and the 150,000 Hungarians living in western Ukraine are desperately seeking that same peace and freedom. Unfortunately, the vast majority had precious little time to plan their escape, taking with them only what they could carry, as they headed to safer land and an uncertain future. This latest group of war flung refugees needs help.

As fraternalists, we are compelled to offer that help. That is why William Penn Association--through its William Penn Association Foundation, Inc.--is partnering with **Brother's Brother Foundation** to get urgently needed aid to the people of Ukraine. *Every dollar you donate will be matched by William Penn Association, up to a total of \$10,000, thus doubling the impact of your contribution.* Brother's Brother has more than 60 years of experience in bridging the gap between aid and sustainability by supporting localized programs and providing essential resources in the areas of healthcare, infrastructure, disaster response, and education. They will make sure your donations fulfill the more urgent needs of those greatest in need.

Fill out the form below and send it to us with your tax-deductible donation. Please, do it today. Time is of the essence. On behalf of the refugees seeking peace and freedom, we thank you.

HuGo helps you find all things Hungarian

Have you ever had a hankering for an authentic *dobos torte*? Wanted to find a Hungarian church near you? Were interested in learning the Hungarian language? Now, there's an app that can help you connect to all things Hungarian in the U.S.

It's called "Hello HuGo" and was created by Anna Smith Lacey, Executive Director of the Hungary Foundation. Lacey says Hungarians have had a significant footprint on the United States, which the Foundation would like to show in this app.

"HuGo aims to enrich the lives of its users no matter what their background by presenting the rich Hungarian-American tapestry in the U.S.," she said.

The app's mascot was modeled after an actual historical figure, a Hungarian hussar named Mihály Kováts. Kováts "played a significant role in establishing the American cavalry in the South during the American Revolution," Lacey said. "He gave the ultimate sacrifice and died in Charleston, South Carolina for the cause of freedom. He symbolizes the important role

that Hungarians played in U.S. history from its very beginnings, and this is why we chose the hussar character for the app."

But, HuGo is more than a map of Hungarian clubs, shops, artisans and restaurants and a place to learn about upcoming events in the Hungarian community. HuGo also provides a social media platform for anyone interested in any aspect of the Hungarian community, a place to connect and share information, stories and experiences.

Currently, Hello HuGo is only available in the Apple App Store and can only be used by those with iPhones. But, for those lucky folks, the app is free.

Work continues on developing an Android version of the app.

JUST for KIDZ

How to create a rain cloud

Here's a neat experiment you can do outside on your sidewalk or porch or on your kitchen table. It comes from Megan Goldsmith and the good people at The McAuliffe-Shepard Discovery Center in New Hampshire. The Center is named in honor of Alan Shepard, the first American to travel into space, and Sharon Christa McAuliffe, who was selected to be the first teacher in space. The Center's mission is *"to inspire every generation to reach for the stars, through engaging, artful and entertaining activities that explore astronomy, aviation, earth and space science"*... in other words, doing a lot of fun, cool stuff using science! The fun thing we're doing this month is **making a rain cloud**.

But, before we get into the clouds, let's talk a little bit about water. You probably already know water can come in three phases: solid, liquid and gas. Water also goes through different "stages" in order to keep moving around our planet. One of the stages is "precipitation," or in other words, rain! And, where does rain come from? That's right--clouds!

Now, some clouds may look as light as a feather when you watch them peacefully float across the sky. However, clouds are actually pretty heavy. Scientists have calculated that the average cloud weighs about 1.1 million pounds! That is a lot of tiny water droplets! Clouds float because they are lighter than the air below them. Rain occurs when the warm air below a cloud cools off so much that it can no longer support the weight of the cloud.

What you need

- A large, clear drinking glass
- Water
- Shaving cream (not gel)
- Food coloring
- A spoon

In the picture A, you see the clear water in the glass. In picture B, we've added the shaving cream. In picture C, we've added the food coloring and watch as the "rain" falls from the "cloud."

What You Do

- Use a large towel or tablecloth to cover the surface you will be using.
- Fill a glass about ½ full with cool water.
- Spray shaving cream on top of the water in the glass so that it nearly reaches the top of the glass.
- Use the spoon to spread and smooth the shaving cream evenly over the top of the water.
- In a separate container, mix some food coloring with ¼ cup of water.
- Slowly add the food coloring over the shaving cream, using a teaspoon.

Eventually, the food coloring "rain" will become too heavy for the shaving cream "cloud" and it will fall into the water...just like a real cloud!

Share photos of your clouds on Facebook @WPALife & Twitter #wpalife.

We hope everyone is enjoying summer. It is so nice to have blue skies and warmer temperatures.

Please continue to pray for the people of Ukraine and the many peoples of Europe who are fighting for their basic freedoms and democracy. Hungary and Ukraine share a border, and more than 600,000 refugees, mostly women and children, have fled into Hungary. Please support the refugees of Ukraine by donating to WPA's Campaign for Ukraine. They have fled their homeland and are trying to hold on for those family members who remain in Ukraine. Thank you for your donations and prayers. It will take decades and a lot of money for Ukraine to rebuild, from this unnecessary and horrible attack and crisis.

Congratulations go to my cousins and nephew:

- Sarah Malloy, who is graduating from Texas Christian University *magna cum laude* with a bachelor's degree in accounting. Sarah was a student athlete and captain of the women's swim team. Sarah plans to continue her education by pursuing a master's degree.

- Kelsey Olson, who is graduating from Thomas Jefferson University in Philadelphia with a bachelor's of science degree in nursing. Kelsey graduated with a 4.0 GPA.

- Robert H. Chamberlain Sr., who is graduating from Bowling Green State University with a bachelor's degree in quality systems. Bob is a U.S. Army veteran who has completed his associate degree in mechanical engineering.

To our WPA students graduating in 2022: this will be your year to remember. Keep notes of your experiences and thoughts during this time. Keep shooting for the stars. No one can take your education away from you.

If you're a WPA student who

will soon be growing out of their juvenile policy, sign up for an adult policy. Follow in the footsteps of your parents and grandparents by continuing this valuable protection. Someday, your children will be the recipients of your generosity. Plus, being insured by WPA is a requirement of our scholarship program, so be sure to contact your WPA sales representative to make sure you're covered.

Branch 14 meetings are held at St. John Byzantine Catholic Church, 36125 Aurora Road, Solon, Ohio (the corner of Aurora Road and Liberty Road). Branch 14 adult members and adult guests are welcome to attend the meetings.

After taking the summer off, our meetings will resume on Wednesday, Sept. 7, at 7:00 p.m. Meetings will also be held on Oct. 5, Nov. 2 and Dec. 7, all starting at 7:00 p.m. Please mark your calendars.

On Saturday, Dec. 3, Branch 14 will host its annual Christmas party at Mentor Presbyterian Church, 5855 Hopkins Road, Mentor, Ohio. More details to follow in future articles.

Please note: the above schedule can change at any time. Call Branch President Caroline Lanzara at 216-970-2769 or Branch Secretary-Treasurer Richard Sarosi

at 440-248-9012 for any changes with the scheduled dates.

Please support the Hungarian churches, clubs and organizations in your local community. We love them and are grateful that they continue our Hungarian customs, activities, traditions, music and food. Attend their events and, if possible, support them with a donation. And don't forget the small businesses which desperately need your patronage to continue their existence.

We congratulate Branch 14 member Walt Mahovlich, who is the new host of the Hungarian Hour on WCSB.org at Cleveland State University radio station 89.3. You can listen to the program live from 11:00 a.m. to 12:30 p.m. on Saturdays or select and hear an archived show. Walt is joined by co-host Elizabeth Papp-Taylor. The format has changed slightly, but still includes a variety of Hungarian music styles, music history, interesting books and news of Hungarian activities taking place in the greater Cleveland, Ohio area.

We send best wishes to former host Bob Kita on his retirement. He served the Hungarian community for 15 years, and he loved every minute of it. He was our voice to promote Hungarian events for

the Hungarian community. Thank you, Bob, for your dedication and promotion of Hungarian activities.

The American Friends of Scouting held their 65th Annual Hungarian Scout Benefit Ball on April 30. This year's proceeds benefitted the Hungarians in Ukraine. The guest of honor was Tamás Kovács, Consulate General of Hungary-Chicago. Music was by Walt Mahovich and Harmonia. It was exciting to reunite with friends we hadn't seen in almost two years. The enthusiastic crowd enjoyed the delicious dinner, music, debutantes and the *Cserkész Regős Csoport Pallotá* (Ensemble Court Dance).

The event was the first of its type to be held in Cleveland in 2022. Thankfully, there will be more such events later this year. The following organizations have announced their tentative summer events. Check their individual website for more information:

- The Hungarian Cultural Center of Northeastern Ohio: www.hungarianclub.org;
- The Hungarian Cultural Garden of Cleveland: www.hungarian-culturalgarden.org;

culturalgarden.org;

- American Hungarian Friends of Scouting: csbk.org/en; and
- The Lake County Captains' Hungarian Heritage Night, Friday, Aug. 5. (See the "Magyar Matters" page for more information.)

You can also contact individual Hungarian churches in the Greater Cleveland and Akron areas for information on their upcoming events.

We remember those WPA members who have passed away or may have recently lost a loved one. May those WPA members who are not with us rest in peace.

Get well wishes are sent to all of our Branch 14 and WPA members, as well as our friends, who might be feeling under the weather or dealing with health issues. We send special get well wishes and speedy recovery wishes to JoAnne Sedensky, Ernie Sarosi and Mary Jane Molnar. Feel better soon. Please keep all of our WPA members in your prayers and thoughts.

Happy birthday and happy anniversary wishes are sent to all of our branch members, Home Office staff and WPA members who are celebrating a June birthday and/or anniversary.

My parents, Violet and Ernest Sarosi, will be celebrating their 75th wedding anniversary on June 14. They have many great stories on how they met, their life experiences, the ups and downs of marriage, family, cooking, love and so much more. We wish them many more anniversaries and celebrations.

May all of our members celebrating continue to have happiness and God's blessings always!

Be safe, stay healthy and please remember to keep in touch with someone you haven't seen or talked to in a long time. Remember also those in hospitals, rehabilitation facilities, nursing homes and extended care facilities where visitation is not possible at this

time.

Congratulations to all our members graduating from high school or college. Wishing each of you the best as this new chapter in your life leads you to many great opportunities.

Looking forward to all the upcoming summer activities and the opportunity to visit with friends and acquaintances that we haven't seen for the past two summers.

Hoping all those wanting to attend the golf outing have their reservations in. Also, make sure Aug. 20 is marked on your calendar for the WPA Picnic.

Branch 28 took part in the WPA Easter Baskets program. Items, including books, stuffed animals, and candy, were donated to the children residing at the Rescue Mission and Beatitude House.

For the WPA Join Hands Day, Branch 28 will be doing a project sometime in June. I'll have more details in a future issue.

On May 29, St. Stephen of Hungary Church in Youngstown held its final Sunday Mass. The church has been converted to a pastoral center by the Diocese of Youngstown, where it plans to hold lectures, gatherings and programs of ethnic cultures.

Please take a moment and pray for all our service people, especially those in harm's way. Our thoughts and prayers are with everyone in Ukraine.

Branch 34 participated in the Easter Baskets program. As you can see, all participants who received their baskets were very appreciative.

Congratulations to my son Andy, daughter-in-law Valerie and grandson Donovan for running the Pittsburgh Marathon. Valerie finished the entire marathon and Andy and Donovan finished the half. So proud of you all. The weather was not good, but everyone was able to enjoy the camaraderie.

Hello, Summer! So happy you are here.

Spring was a busy time for Branch 44. We delivered snacks and drinks to the Suffield Ohio Fire Department. (Thanks to Jr. Members Sophie and Izzy). We also delivered first responder snacks and

drinks to Attentive Home Health, located in Stow, Ohio. With 50 home care personnel, Attentive serves the tri-county area. They have been active with home care for many years and were front line workers during the last two years with the COVID pandemic.

We also delivered food to a single mother who was laid off. She has a 2-month-old baby and a 2-year-old child. The basket was part of the WPA Join Hands Against Hunger campaign, as the family was identified via the Manna from Heaven Food Bank in Akron, OH.

Branch 44 also provided food to a young mother of a 2-month-old baby whose fiancée suffered a fatal asthma attack. This grieving young lady was identified by a Branch 44 member.

Thanks to all members who participated in our spring activities. Without your donations and assistance, as well as the support of the Home Office in Pittsburgh, Branch 44 could not do the outreach activities that we do. Remember, Br. 44 collects member donated food items all year. Just contact an officer if you would like to make a donation.

Branch Member Carolyn Sudar,

gets a big thank you...THANK YOU! Carolyn crochets "lap robes," also known as "comfort blankets," all year in her spare time. Recently, she donated 16 comfort blankets to Kent Nursing Home Health Care & Rehabilitation located in Kent, Ohio. Carolyn is a busy lady, donating over 60 newly crocheted comfort blankets to various nursing homes and rehabilitation locations in Northeast Ohio over the past year.

Please continue to donate clean plastic grocery bags to make into the mats for the homeless. Branch Officer Cheryl Stadler and her husband Gil are deeply involved in the grocery bag collection.

Congratulations to all members who are celebrating a happy occasion.

Get well wishes go out to those who may be feeling a bit under the weather.

Our sincerest condolences go to those who have lost a loved one.

And, a spirited THANK YOU to all service members. Stay safe out there.

We hope everyone is enjoying the warmer weather as summer time approaches.

With the assistance of the Home Office, our branch participated in the 2022 Easter Baskets program and was able to donate Easter baskets to three families in need. Each basket included Easter goodies and a gift card.

Branch officers will be attending the 55th Carousel Ball, which is hosted by the American Hungarian Foundation and celebrates the distinguished service of American

Hungarians' contributions to the American Way of life. The Foundation's mission is to communicate the story of the American Hungarians through the Hungarian Heritage Center located in New Brunswick, NJ, which offers archives, a museum and library. Branch 89 Homestead, PA

By Mark S. Maskariniec

Summer is here, and that means golf outings are upon us. We are sponsoring our Third Annual Golf Outing for the benefit of the First Hungarian Reformed Church of Homestead. Every year, we seem to do a little better. This year it seems that we may set records for most golfers and most sponsors. We shall see, but God willing, we will continue to give back fraternally to this church.

The date is June 25. The course is Champion Lakes Golf Course in Bolivar, PA. We have a modified shotgun start set to go at 9:30 a.m., followed by a sit down banquet with your choice of stuffed pork chop, stuffed chicken or pasta. Registration begins at 8:00 a.m....or, whenever I happen to finish eating the tremendous Champion Lakes buffet breakfast.

If you don't golf, come for dinner. You won't be disappointed.

Once again, we will have a tremendous auction. It goes way beyond golf. We will have lottery baskets, baskets of cheer, sports baskets and a few surprises.

So, come on out. You won't be disappointed. Can't make it? There is still time to help out by being a sponsor or donating a gift basket.

You can register beforehand by emailing Lisa at tothmaskariniec@gmail.com. This year promises to be an all-time high for us at Cham-

pion Lakes. Come spend a day in the Laurel Mountains golfing or just chilling out. All proceeds go to a great cause.

Branch 89 has joined forces with Greater Love Ministries and will be collecting canned food and boxed meals (like macaroni and cheese and pasta) for families in the Steel Valley Area. Food items may be dropped off at The First Hungarian Reformed Church of Homestead, 416-10th Ave., Munnhall, or may be brought to our home, 1836 Timothy Drive, West Mifflin.

We are fortunate to have nice homes to live in with heat, food and shelter, while others in the area have to figure out where their next meal may be coming from or how to provide food and clothing for their children. If everyone would contribute a little bit, just imagine how much help we could provide.

We will gladly accept monetary donations. Make your check payable to "William Penn Association Branch 89" and note that it's for Greater Love Ministries.

We will also be accepting gently worn or new children's clothing.

Get well wishes go to Carolyn Toth Hanchak and Janet Phillips. Special wishes go out to Dianne Schneider. We are pulling for you, Dianne, and praying for you.

Special get well wishes also go to Branch 89 member and ardent supporter Mary Jane Hermansderfer. We wish Mary Jane a very

speedy recovery and will miss her shining face at our upcoming golf outing. Mary Jane told me she loves our golf outings because we always put her with nice and interesting people. Please take it easy, Mary Jane. Rest up, listen to your doctors and do your therapy and exercises. We expect to see you at our other outing on Aug. 14 at Butler's.

Branch 89 was represented at the Derby with the Docs at Heinz Field on May 7. This is a fundraising project for Operation Walk in Pittsburgh which provides knee and hip replacement surgery for people in Guatemala, Haiti and Antigua who may not be able to afford such surgery.

This was a wonderful fundraiser for a terrific cause. And to top everything off, the doctors at the Bone and Joint Center of Pittsburgh invited all of their patients and the patients' coaches to this event free of charge.

Parking was free, and there were tons of good food, pastries and beverages, Kentucky Derby-themed activities and Chinese auctions to purchase and enjoy.

Lisa and I went (her as a patient and me as her coach), and, yes, we won a few races. But, most importantly, we helped people in pain lead a pain-free life. It was a win-win for all.

Our branch also donated plants to our church to decorate its windows for Easter and gave lovely roses to all the ladies of our

church for Mother's Day.

Some projects we hope to work on down the road include repairing the church's stained glass windows and cleaning and painting the inside of the church sanctuary. We have started looking for grants and donations for this massive undertaking. Plus, the church's grand pipe organ needs some tender loving care. The price for this maintenance, which will include a brand new chime console, is scheduled to come in at slightly under \$2,000. And, yes, we are accepting donations. Send any donations to Lisa c/o First Hungarian Reformed Church of Homestead, 1836 Timothy Drive, West Mifflin, PA 15122. This sure would be great if we could have everything done in time for the church's 120th anniversary.

That about does it for life at Branch 89. Remember, if you have a few spare minutes, do something special for someone. Make a call, pay them a visit, run an errand for them. We all need to pitch together to work through these trying times.

Please note that the mailing address for Branch 89 has changed. Please direct all mail to 1836 Timothy Drive, West Mifflin, PA 15122. Our phone number is 412-872-5022.

We wish all the fathers out there a very happy, healthy and relaxing Father's Day.

Take care, stay safe and stay up to date on your COVID vaccinations and boosters. Please get whatever boosters are available. We need everyone to be around for a long, long time.

Please don't drive distracted.

We participated in Join Hands Against Hunger by making a monetary donation to a local food bank. We also participated in the Easter Baskets program by donating snack items to the Ronald McDonald House, which is a wonderful help for families from out of town who have children staying at Children's Hospital.

Congratulations to all our members who are graduating from high school or college. Good luck to all of you in your future education plans or job searches.

Summer is in the air! The trees are budding, the grass is green, the flowers are popping and it is time to start the garden for fresh vegetables. The best time of the year.

The next Branch 132 quarterly meeting will be held on June 14, at 5:00 p.m. at the Martin's Supermarket Deli (first floor) on Ireland

Road, South Bend.

Our branch's 12th annual summer picnic will be held July 31 at Potawatomi Park Pavilion No. 1 from 1:00 to 3:00 p.m. Please make your reservations by July 24 so we can plan accordingly. Hope to see all our members there.

Branch 132 donated four Easter Baskets to those in need. We donated to an elderly widow who lives by herself, two elderly couples who are dealing with stroke and blindness, and a couple with kids who were evicted by their stepbrothers. It makes the heart feel good to give to the community.

We wish happy birthday and happy anniversary to all who celebrate in June. Happy Father's Day to all dads and father figures alike; thank you for your help, tough love and support.

Sending warm wishes to Branch Auditors Wayne Nelson and June Coyne. Sending get well wishes to Malvene Heyz, Frank Halas, Branch Secretary Gerry Nelson and Cathy Trunzo. We are thinking of you and sending prayers to give you strength.

We pray for the friends and families of branch members we have lost: Ann G. Crawford, Bernard Derkas and Charles J. Derkas.

Our branch was able to donate funds to a local Ukrainian Church to aid in efforts to support Ukraine.

If you have thought about donating money to aid the refugees of the war in Ukraine, please consider doing so through the William Penn Association Foundation's Campaign for Ukraine. All funds raised by this campaign will go to Brother's Brother Foundation. It was so encouraging to see the first phase of donations and our members' generosity as a shining example.

We thank the Home Office for helping us participate in the Easter Baskets and Join Hands against Hunger programs.

Best wishes to all those attending the 36th WPA Golf tournament out in Youngstown, OH. Good luck on the links!

We can't wait to see friends again at the WPA Picnic on Saturday, Aug. 20, in Cheswick, PA (a little north of Pittsburgh). The picnic will be at the same location as in 2019. We're ready to make new memories with our children, so bring your kids and grandkids! Find our picnic posts on social media and share with your family and friends.

Quick questions for you. Have you updated your beneficiaries on your life insurance or annuity? Does your spouse have coverage with us? You have time to discuss these ideas with your family, but don't wait too long! Don't forget about our recommender program where you can earn cash by telling friends and family about your WPA coverage!

Do you have good news you'd like us to share? Call Branch President Malvene Heyz at 412-751-1898 to get your news published.

Remember to stay positive and don't compare yourself with others. Everyone is on a different journey – enjoy yours!

Branch 249 Dayton, OH

By Mark Schmidt

We are deep into the swing of things here at Branch 249. We will be planting and taking care of some of the flower beds at Queen of Martyrs Catholic Church for Join Hands Day in June. I will send out an email announcing the date once it's firmed up. The church does so much for the neighborhood that was ravaged by tornadoes three years ago and for the Hungarian community at large. Both Branch 249 and the Hungari-

an Club of Dayton hold their meetings at the church's hall, and we try yearly to have joint events with both club members and church parishioners. Several members of both clubs attend services there. We are more than happy to "join hands" with them.

Speaking of getting into the swing, how is your swing...golf swing, that is? The WPA Golf Tournament in Canfield, OH on June 25 is not to be missed. There still may be time to get your entries in. Staying at a hotel near the golf course will make the weekend almost painless; except for my old tired back. But, who cares when you are having fun!

Keep Aug. 20 open for the WPA Picnic at the Pittsburgh Shrine Center in Cheswick, PA. This facility is top notch with a huge shelter, large restrooms and full commercial kitchen. I hear the staff at WPA are planning some special treats.

At the end of September, Branch 249 and the Hungarian Club will be hosting an event at the Hollywood at Dayton Raceway. We plan on having a separate area overlooking the horse track with snacks for our enjoyment. I will let you know specifics later in the year. The racino will have a person to explain the racing forms so we can make "intelligent" bets. Right. *...Go number 7. That's my birthday month, and I like the jockey's silk colors. Who cares he's a long shot at 80 to 1. So was the Kentucky Derby winner. GO number 7!*

Don't forget two important dates in June; the 14th is Flag Day and the 19th is Father's Day. Where would your golf swing be without dear old dad helping you work on your slice?

Also, it's not too late to give to the Campaign for Ukraine. We would like to thank Branch 249, its members and friends for their generous donations. As Hungarians, we must remember our eastern European brothers in their fight for freedom.

Congratulations to you blushing June brides and grooms. June is the traditional month for many weddings. And many weddings led to many births. So happy birthday to all you June babies, especially to my special baby, Anne Marie. She's still as young and beautiful as the first day I met her.

We pray for our friends and family who have passed on to the next life. We pray that God welcomes them into His loving arms.

Call Anne Marie or me with any insurance or annuity questions at 937-308-4670. We will help you with all WPA inquiries.

If you have any info for next month's article email me at am-schmidt@msn.com or call 937-938-0198.

We get so busy trying to create epic summer adventures that we miss the enjoyment of blowing bubbles with our children (or the dog, which is also pretty funny). Slow down. Enjoy each day.

Branch 296 Springdale, PA

By Mary A. Kelly-Lovasz

We're BACK! Meeting for the first time since last September, Branch 296 kicked off our "re-union" with our WPA Join Hands Day project. For the past several years, our branch has created and filled snack bags for residents at the Ronald McDonald House of Pittsburgh. These whimsically decorated bags contain on-the-go sustenance for family members of inpatients being treated at nearby Pittsburgh Children's Hospital. The pandemic gave our branch a pause for several years, so we were excited to dive into this project again.

A big "thank you" to John and Diane Torma for purchasing the supplies; Helen and Mary Ann Slaninka for their creative energy, as well as Georgene Pastura, Angela Wislie Misera, Leanne Lovasz and Noreen Fritz for their terrific artistic abilities. Lots of thanks to

For their Join Hands Day project, members of Branch 296 decorated and filled goodie bags for the young patients at the Ronald McDonald House of Pittsburgh.

Toni Kosheba who helped fill the bags, as well as for bringing her lovely mother, Marge Kosheba, who we have not laid eyes on since our 2019 branch Christmas party. In no time we crafted and filled 75 bags, which John and Diane happily delivered to the House. This was such a fun activity, and we certainly joined hands and enjoyed ourselves doing it!

Branch President Diane Torma reported that Branch 296 made financial donations to New Kensington's Mt. St. Peter Food Bank and Springdale's Lower Valley Food Ministries as part of WPA's Join Hands Against Hunger campaign.

Also, for our WPA Easter Basket project, we donated several \$50 grocery store gift cards to the Knead Community Café in New Kensington and to the St. Vincent de Paul Society of Guardian Angels Parish in Natrona Heights.

For WPA's Campaign for Ukraine, Branch 296 donated \$500 to this worthy cause. WPA has partnered with Brother's Brother Foundation (BBF). BBF has been a responsibly maintained non-profit foundation for over 60 years and is currently providing medical supplies and relief to Ukrainian refugees. WPA recognizes the crisis that the people of Ukraine are facing in this senseless war and will continue to accept donations.

Happy birthday wishes to our branch members celebrating this

month, most especially Mary Ann Slaninka, Terry Panaro and Angela Wislie Misera and a noteworthy 97th birthday to our branch Vice President Marge Kosheba. May each of you have many more!

Also, happy wedding anniversary wishes to all of those June brides and grooms.

Sending get well wishes to everyone who is not feeling their best.

For those experiencing the loss of a loved one, we remember you in our thoughts and prayers.

Happy Father's Day to all of the dads, grandpaps and all who have acted in place of our fathers. Some are about to become dads, like our nephew Michael. We love each of you. Think back on the things your dad taught you and the ways that he showed his love for you. My dad taught me how to use a slide rule (I am dating myself) and how to say my prayers and lots of other things. Many of our dads are gone now, but they remain in our hearts. Always remember dad on his special day.

Mark your calendars for two upcoming food-related events. First, join us for the return of our WPA Picnic on Saturday, Aug. 20, at the Pittsburgh Shrine Center in Cheswick, PA. This is a perfect facility for outdoor socializing and enjoying the variety of foods that will be offered. This event benefits our WPFA Scholarship Foundation.

Happy birthday to Branch 296 Vice President Marge Kosheba, who celebrates her 97th birthday in June.

More details to follow.

Also returning is our Branch 296 bacon roast at Oakmont's Riverside Park on Sunday, Sept. 18. Bring a covered dish and join us. All are welcome! Look for more details in future branch news.

Even though we've just resumed our meetings, Branch 296 is taking the summer off. But, if you have any suggestions or news that you'd like for me to share with our readers, please call me at 724-274-5318 or email me at makelly367@verizon.net. I'd love to hear from you.

Our next meeting will be at 6:00 p.m. on Thursday, Sept. 16, at the Tarentum (Pittsburgh Mills) Eat'n Park Restaurant.

As always, our attentive branch

agent, Noreen Fritz, FIC, LUTCF is available for your insurance or annuity needs. Reach Noreen at 412-821-1837 or at noreen.fritz@comcast.net.

Enjoy the long-awaited, beautiful month of June!

Branch 349 Weirton, WV

By Joyce Nicholson

We hope to see you at the Golf Tournament on June 25 at Kensington Golf Club in Canfield, OH. It's always a great opportunity to get together, enjoy the beautiful outdoors and reconnect with folks we haven't seen in a long time.

Make plans to get your foodie appetite satisfied at the WPA Picnic at the Pittsburgh Shrine Center on Saturday, Aug. 20. It's a beautiful facility with lots of room in a massive outdoor pavilion. There's lots of parking available, and it's close to Pittsburgh. Just program your GPS for 1877 Shriners Way, Cheswick, PA. It's so easy to find! There will be lots to eat, see and do...something for everyone.

Summer and the 4th of July are near, and it's time to celebrate. Take some time to march in or watch a parade, eat some barbecue, hoist a few beers, head to the beach and light off some fireworks. But, say a prayer for those in the armed forces who are serving now or who have served in the past. Fly your flag proudly every day, but especially on Flag Day, June 14, and Independence Day.

Congratulations to all gradu-

ates this month. Those of you who received a WPA scholarship in the past, please think of these new graduates and pay it forward by making a donation to the WPFA Scholarship Foundation.

We extend best wishes to all members celebrating birthdays and anniversaries this month.

We also want to keep in our thoughts and prayers those who are sick or recuperating or just don't feel 100%.

Our sympathies to those who have family members or friends who recently died, including the families of branch members Margaret Hutkai, Fonia Lindsey and James Terhall.

This month's fun fact is connected to *Tibor's Take* in the March/April issue of *William Penn Life*. "Magyars on the ice, with and without sticks" reminded me of a book I read a couple of years ago entitled *Ballad of the Whiskey Robber* by Julian Rubinstein. It's the true story of Attila Ambrus, a professional hockey goalkeeper during the 1980s who played for the biggest hockey team in Budapest but took up bank robbery to make ends meet. It's a tale that's often hilarious, sometimes sad, and so outrageous that it could only be true.

For additional information about Branch 349 activities, or if you have any news you wish to share, please call Joyce Nicholson at 740-264-6238.

You can call on Alan Szabo for all your insurance needs at 330-482-9994.

Agoston Haraszthy: the greatest Hungarian American?

Agoston Haraszthy and his family have carved, by far, the most impressive history of success here in America. Born of Hungarian nobility in 1812, Haraszthy and his wife moved to America in the 1840s, and he established an impressive list of accomplishments: he was the first Hungarian to permanently settle in the U.S.; he founded a village in Wisconsin; he formed the first steamship company on the upper Mississippi River; he created America's second oldest winery.

After moving to California, his list of firsts grew: he was the state's first county sheriff; he introduced 300 varieties of grapes to the California wine industry, earning the unofficial title of "Father of California Wine" and he was the first assayer of the San Francisco mint.

Haraszthy and his wife Elenora Dedinszky, whom he married in 1833, had 6 children: Geza, Attila, Arpad, Ida, Bela and Otelia. He

died tragically at the age of 56 in Nicaragua when he accidentally fell into an alligator-infested river while surveying land to construct a sugarcane plantation with the intention of producing rum for export.

These few paragraphs do not serve justice to a man that I consider the greatest Hungarian American, and I suggest you acquire a book that my father purchased for me entitled: *Father of California Wine Agoston Haraszthy: Including Grape Culture, Wines and Wine Making* by Theodore Schoenman. It is available on the internet via Abe Books.

A future puzzle will feature the life of Agoston's son Arpad and his immense contribution to American growth and expansion.

This month's puzzle contains 14 clues associated with Agoston Haraszthy.

Good luck! Remember Flag Day.
